## NECA SKI TRIP – HOPING FOR THE BEST

We are thrilled to announce that the NECA Ski Trip is being held at the beautiful resort of Sun Peaks, located in British Columbia, Canada, February 12<sup>th</sup> – 16<sup>th</sup>, 2021. Understanding the current travel restrictions to Canada, the resort is willing to be flexible if the trip cannot move forward as planned. Expect more information, including a reservation form in the next couple weeks. We have been working with the resort and can assure that the strictest social distancing and safety protocols will be followed on the trip. NECA is also continuing to push the cost down and has been able to lower the cost to about \$875/person/double occupancy. The cost includes lodging, transportation and three days of lift tickets. In the meantime, if you have any questions, contact Chris at the NECA office. Please feel free to invite your friends, family, co-workers etc. The trip is designed to be 100% family friendly.

**ON THIS DAY IN HISTORY 1974** – American Dave Kunst completes the first round-the-world journey on foot, taking four years and 21 pairs of shoes to complete the 14,500-mile journey across the land masses of four continents. He left his hometown of Waseca, Minnesota, on June 20, 1970. Near the end of his journey in 1974 he explained the reasons for his epic trek: “I was tired of Waseca, tired of my job, tired of a lot of little people who don’t want to think, and tired of my wife.” During the long journey, he took on sponsors and helped raise money for UNICEF.
